

# Texas, I Shall Be Released

They say ev'rything can be replaced,  
Yet ev'ry distance is not near.  
So I remember ev'ry face  
Of ev'ry man who put me here.

I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.

(Stephan Eicher)  
They say ev'ry man needs protection,  
They say ev'ry man must fall.  
I swear, I swear I can see my reflection  
Some place so high above this wall.

I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.

(Shar)  
Standing here in this lonely crowd,  
Is a man who swears he's not to blame.  
All day long I hear him shout so loud,  
Crying out that he was framed.

I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.  
(repeat)
