## Texas Little, What Might've Been

Sure I think about you now and then But it's been a long long time I've got a good life now I've moved on So when you cross my mind

I try not to think about
What might have been
'Cause that was then
And we have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might have been

We could sit and talk about this all night long And wonder why we didn't last Yes they might be the best days We will ever know But we'll have to leave them in the past

So try not to think about
What might have been
'Cause that was then
And we have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might have been

That same old look in your eyes It's a beautiful night I'm so tempted to stay But too much time has gone by We should just say goodbye And turn and walk away

And try not to think about
What might have been
'Cause that was then
And we have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might have been

No we'll never know What might have been
