

Texas, Misty

Look at me,
I'm as helpless as a kitten up a tree
And I feel like I'm clinging to the clouds
I can't understand,
I get misty just holding your hand
Walk my way,
And a thousand violins begin to play
And the sound of your hello
That music I hear,
I get misty the moment you're near
You could say that you're leading me on
But it's just what I want you to do
Don't you notice how, how hopelessly I'm lost
That's why I'm following you
On my way,
Would I wander through this wonderland alone
Not knowing my right foot from my left
My hat from my glove
I get misty, and too much in love
On my own
Would I wander through this wonderland alone
Not knowing my right foot from my left
My hat from my glove
I get misty, and too much in love
I get misty, oh so misty,
And too much in love
Oh so misty
And too much in love
