

Texas, Revolution

You say you want a revolution
Well, you know
We all love to change the world
You say you want a revolution
Well, you know
We all love to change the world

But when you talk about destruction
Don't you know that you can count me out
Don't you know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all right

You say you got a world solution
Well, you know
We'd all love to see the plan
You ask us for a contribution
Well, you know
We're all doing what we can
But when you want money
for whom with minds that hate
All I can tell is brother you have to wait

Don't you know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all right
Yeah, oh yeah

You know it's gonna be all right
(repeat)
