

# Texas, Take Me With You

I can't disguise the pounding of my heart  
It beats so strong  
It's in your eyes what can I say  
You turn me on

Cause I don't care where we go  
I don't care what we do  
I don't care pretty baby  
Just take me with u

Come on and touch the place in me  
That's calling out your name  
We want each other oh so much  
Why must we play this game?

I don't care where we go  
I don't care what you do  
I don't care pretty baby  
Just take me with u

I don't care if we spend the night at your mansion  
(Tony) I don't care if we spend the night on the town  
All I want is to spend the night together  
All I want is to spend the night in your arms

To be around u is Oh so right  
You're sheer perfection  
Drive me crazy, drive me all night  
Just don't break up the connection

I don't care where we go  
I don't care what we do  
I don't care pretty baby  
Just take me with u

I don't care where we go  
I don't care what we do  
I don't care pretty baby  
Just take me with u  
Just take me with u  
(repeat)

Cause I don't care where we go  
I don't care what we do  
I don't care pretty baby  
Just take me with u
