

# Texas, You're All I Need To Get By

You're all, I need to get by.  
You're all, all I need to get by.  
You're all, all I need to get by.  
You're all, all I need to get by.

Like the sweet morning dew,  
I took one look at you,  
And it was plain to see,  
You were my destiny.  
With my arms open wide,  
I threw away my pride  
I'll sacrifice for you  
Dedicate my life to you

I will go, go where you lead  
Always there in times of need  
And when I lose my will  
You'll be there to push me up the hill  
There's no, no turning back for us  
Cause we've got the love  
So look that's enough  
You're all, You're All I need to get by.

You're all, all I need to get by  
You're all, all I need to get by

Like an eagle protects his nest,  
For you I'll do my best,  
Stand by you like a tree,  
Dare anyone to try and move me  
Darling in you I found  
Sense where I was torn down  
Don't know what's in store  
But together we can open any door  
Just to do what's good for you  
And inspire you a little higher  
I know you can make a man out of a soul  
That didn't have a goal  
Cause we, we got the right foundations  
And with the love and determination

You're all, You're All I need to get by.  
I all, you're all I want to strive for and do a little more  
everything under the sun and you are the one girl  
You're all I need to get by.....

You're all, all I need to get by  
You're all, all I need to get by  
All I need to get by  
All I need to get by  
You're all, all I need to get by  
You're all, all I need to get by
