Thanatos, If I Can't Be Yours

Now its time, I fear to tell I've been holding it back so long But something strange deep inside of me is happening I feel unlike I've ever felt And its making me scared That I may not be what I think I am

What of us? What do I say? Are we both from a different world? 'Cos every breath that I take, I breathe it for you I couldn't face my life without you And I'm so afraid there's nothing to comfort us What am I, if I can't be yours?

I don't sleep, don't feel a thing
And my senses have all but gone
Can't even cry from the pain
can't shed a tear now
I realise we're not the same and it's making me sad
'Cos we can't fulfill our dream in this life

So I must let us break free I can never be what you need If there was a way through the hurt then I would find it I'd take the blows, yes I would fight it But this is the one impossible dream to live What am I, if I can't be yours?
