

That Dog, Buy Me Flowers

Buy me flowers, change a love song.
Love the song, I see you, sing a song fast.
A tangled love song, my love.
Know me, sing "Long live the sea";
Look at me, have a good time.
Smell the sand, it's my angel.
Live in to me, let's go home, take a shower
For a long, long time, 'cause your my angel
Keep singing how the sun dies
Won't you sing alone?
Keep singing how the sun dies
Won't you sing alone?
