

# That Dog, Did You Ever

Did you ever  
Climb to the top of a tree  
And fall down  
And carve initials in for me to see  
Did you ever  
Did you want to

Did you ever  
Climb to the top of a tree  
And fall down  
Carve initials in for me to see  
Did you ever  
Did you want to

Did you ever  
Fall in love with a small girl  
While all she wanted was a baby  
And maybe both meant it  
Did you ever

He said 'here's what I'll do  
I'll split myself in two  
And that way you can be with me  
And I can learn to be with you'

Did you ever  
Pinch her cheeks and call her fun  
She was sweet  
And spicey and spoiled really young  
Did you ever  
Did you want to

He said 'here's what I'll do  
I'll split myself in two  
And that way you can be with me  
And I can learn to be with you  
I can learn to be with you  
I can learn to be with you  
I can learn to be with you'  
Did you ever? did you want to?
