

# That's So Raven, The Toast And Jelly Song (Victor & Tanya)

VICTOR:

Girl, our love has been a melody.

TANYA:

And the beats coming from my hea-art.

VICTOR:

We compose a funky symphony.

TANYA:

And it's going to the top of the cha-ha-ha-ha-arts.

BOTH:

We have had our share of bumps.

And I'm never, ever down in the dumps.

Our love, no doubt about it.

And I know we'll never split.
