

# The 1975, The Sound

(Well I know when you're around  
Cause I know the sound  
I know the sound of your heart  
Well I know when you're around  
Cause I know the sound  
I know the sound of your heart)

Well I know when you're around  
Cause I know the sound  
I know the sound of your heart  
Well I know when you're around  
Cause I know the sound  
I know the sound of your heart

I can't believe I forgot your name  
Oh, baby, won't you cum again?  
She said "I've got a problem with your shoes and your tunes but I might move in"  
And "I thought that you were straight, now I'm wondering";

You're so conceited  
I said "I love you"  
What does it matter if I lie to you?  
I don't regret it but I'm glad that we're through  
So don't you tell me that you 'just don't get it' - cause I know you do

Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart  
Well I know when you're around  
Cause I know the sound  
I know the sound of your heart

It's not about reciprocation, it's just all about me  
Sycophantic, prophetic, Socratic junkie wannabe  
There's so much skin to see  
It's simple Epicurean Philosophy  
And you say (you say) I'm such a cliché  
I can't see the difference in it either way  
And we left things to protect my mental health  
But you'll call me when you're bored and you're playing with yourself

You're so conceited  
I said "I love you"  
What does it matter if I lie to you?  
I don't regret it but I'm glad that we're through  
"So don't you tell me that you 'just don't get it' - cos I know you do

Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart  
Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart

Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart  
Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart

Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart

Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart

Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart  
Well, I know when you're around  
Cause I know the sound  
I know the sound of your heart
