The 69 Eyes, Angels

Nothing's left here but the sun The human race is on the run The ancient gods should have told The earth has never felt this cold

Countdown has just begun Apocalypse has got a sun

Angels Flying over the land of blood Angels Warriors that heaven forgot

Read my bloodstained apoca-lips 21st century son of a bitch Speaking with the mouth of a whore Riding with the horsemen of four

Countdown has just begun Apocalypse has got a sun

Angels
Flying over the land of blood
Angels
Warriors that heaven forgot
