

The 69 Eyes, No Hesitation

I was flyin' in the extreme
n that saturday night eve
I got chicks on both sides
but the one I wanted couldn't decide

Tell me little sister
Tell me sweet lady
What is that you want from me

There ain't no easy way
if you choose me don't hesitate
Just enjoy my magic ride
baby let's bump'n'grind

Tell me little sister
Tell me sweet lady
What is that you want from me
I don't need no hesitation
I just don't like your old fashioned ways

There ain't no easy way
If you choose me baby don't hesitate
just enjoy my magic ride
Come over here child
Let's bump'n'grind

Tell me little sister
Tell me sweet lady
What is that you want from me
I don't need no hesitation
I just don't like your old fashioned ways
