

# The 69 Eyes, Rocker

God gave a singer a second chance  
"You've got the blues but you can't have a romance"  
Ain't mucha sinner baby not a saint  
The ghost of Elvis told me how to get the girls faint  
I'm going down  
Down the line  
I'm a rocker yeah  
Baby I'm a rocker  
That's right  
I'm a rocker yeah  
A goddamn rocker yeah  
That's fine  
Gotta get you rockin' babe shaking your hips  
Got a license to kiss gonna burn your lips  
Whatcha wanna woman is watcha gonna get  
We gonna rock all night until we drop dead  
I'm going down  
Down the line  
I'm a rocker yeah  
Baby I'm a rocker  
That's right  
I'm a rocker yeah  
A goddamn rocker yeah  
That's fine  
I'm a rocker yeah  
Baby I'm a rocker  
That's right  
I'm a rocker yeah  
A goddamn rocker yeah  
That's fine  
I made a deal with the Devil that I can't change  
No no not any more  
I made a deal with the Devil that I can't change  
No no not any more  
No no not any more
