

# The 69 Eyes, Skanky Man

Hey skanky man tell me how you can  
Watch me go to sleep in a garbage can  
Skanky man tell me how you sleep  
Is your conscience clear do you rest real deep  
Skanky man do you think it's fair  
You play your part 'cos you just don't care  
Skanky man I don't do dope  
I'm already down at the end of my rope

TRUST ME  
I ain't no criminal  
TRUST ME  
You got it all wrong  
TRUST ME  
Nothing to hide  
TRUST ME  
All I've got is my pride

Skanky man tell me where you go  
'cos time on the street passes oh so slow  
Skanky man it's a real nightmare  
Do you think it's fair do you think you care  
Skanky man I really envy you  
Is your wife pretty does she love you  
Skanky man for a dollar a day  
You can make a difference so what do you say

TRUST ME  
I ain't no criminal  
TRUST ME  
You got it all wrong  
TRUST ME  
Nothing to hide  
TRUST ME  
All I've got is my pride

Skanky man  
Hey skanky man  
How do you sleep tonight?  
How do you sleep alright?
