Jah Marley, oh-oh-oh Jah Marley  
Never forget your history  
(Jah Marley, oh-oh-oh Jah Marley)  
We won&#039;t forget your philosophy  
Oh no, oh no

You told us how you shot the sheriff  
So that it was self-defense  
You said to the woman, no woman no cry  
Cause Jah is standing by  
You reminded the children that Jah Jah lives  
Jah Jah lives within I and I  
You said to get up and stand for our rights  
And don&#039;t give up the fight  
We won&#039;t give up the fight

Jah Marley, oh-oh-oh Jah Marley  
Never forget your history  
(Jah Marley, oh-oh-oh Jah Marley)  
We won&#039;t forget your philosophy  
Oh no, oh no

(Jah Marley, oh-oh-oh Jah Marley)

A prophet and a king was he  
Proclaiming that men should be free  
He told us of wars, rumors of wars  
There&#039;ll be no peace until there&#039;s war  
There&#039;ll be no peace until we&#039;re in war  
Said a come a rock, this is Trenchtown rock  
Whether you&#039;re a big fish, whether you&#039;re sprat  
Cause everything, oh everything, everything will be alright  
Cause everything, oh everything, everything will be alright

Jah Marley, oh-oh-oh Jah Marley  
Never forget your history  
(Jah Marley, oh-oh-oh Jah Marley)  
We won&#039;t forget your philosophy  
Oh no, oh no

Oh no no no no no...
