

The Academy Is..., Attention

Attention, attention,
May I have all your eyes and ears to the front of the room
If only, if only for one second

This table has taken a turn for the worse
Rock bottom, and over the edge
Well, it's not like it hurts that much anyway
Upside down and inside out
When I leave here I'm going alone
Well it's not like it, not like it hurts much anyway

Attention, attention,
May I have all your eyes and ears to the front of the room
If only, if only for one second
Will you hear what I have to say?
Oh, did I mention when I see you it stings like hell
Due to the fact that we could have something that'll never happen
Did you hear what I have to... (say)

This balance has weighed out our hearts desire
Im trying to make it alone
Well its not like it hurts that much anyway
Upside-down and inside out
When I leave here Im going alone
But Im dying, Im dying, to touch
And its not like it, not like it hurts much anyway

Attention, attention,
May I have all your eyes and ears to the front of the room
If only, if only for one second
Will you hear what I have to say?
Oh, did I mention when I see you it stings like hell?
Due to the fact that we could have something, something...

Attention, attention,
May I have all your eyes and ears to the front of the room
If only, if only for one second
Will you hear what I have to say?
Oh, did I mention when I see you it stings like hell?
Due to the fact that we could have something thatll never happen
Did you hear what I have to... (say)

Attention, attention,
Upside-down and inside-out
Attention, attention,
Upside-down and inside-out
