

The Academy Is, Season

Wake up, think fast, three weeks have passed, we are changing
No sleep, no gas, no excuses will pass these lips
'Cause we're shapin' up to be all you wish you could have been
To write the hits and to turn their heads
And to open eyes (open your eyes) to a brand new season
A brand new season

So show me something we haven't heard yet
But I'm not convinced and your heartless songs won't stick
But I, I'll sing you something you won't forget
For the first time I know this is now who I am

You'll see what we mean
You'll notice when we're gone
