

The Adicts, G.I.R.L

Take 27! 1,2,3,4!

Take 28! 1,2,3,4!

What a doll
What a charm
Little demon to do you harm
Fiendish fetish
Cast a spell
Make a curse
Go to hell

Wo-wo. Hey-hey
My baby left me for a G.I.R.L.

Juliet, you're the
weirdest girl I ever met

Queen bitch
That's mean
That's rich, obscene
Heartbreaker bring me down
I'm a dog
Kicked around

Wo-wo. Hey-hey
My baby left me for a G.I.R.L.

Juliet, you're the
weirdest girl I ever met

What a doll
What a charm
Little demon to do you harm
Fiendish fetish
