

The Adverts, One Chord Wonders

I wonder what we'll play for you tonight.
Something heavy or something light.
Something to set your soul alight.
I wonder how we'll answer when you say.
"We don't like you - go away"
"Come back when you've learned to play"

I wonder what we'll do when things go wrong.
When we're half-way through our favourite song.
We look up and the audience has gone.
Will we feel a little bit obscure.
Think "we're not needed here"
"we must be new wave - they'll like us next year"

The wonders don't care - we don't give a damn.
