

The Afghan Whigs, Be Sweet

Ladies, let me tell you about myself
I got a dick for a brain
And my brain is gonna sell my ass to you
Now I'm OK, but in time I'll find I'm stuck
Cause she wants love, and I still want to fuck

Now that I'm ashamed, it burns
But the weight is off
Now that you're out of the way
I turn and I can walk
You showed no sympathy, my love
And this was no place for you and me to walk alone

On my grave, am I OK?
I'm sure I'm not

Ladies let me tell you about my love
She kept giving me more
But it wasn't enough
So understand
Now that I come to you
To understand my little self
To understand my little self

And baby you be sweet
Be sweet, be sweet
