

# The Afghan Whigs, Faded

Afghan Whigs, The  
Black Love  
Faded  
(dulli)

You can believe in me, baby  
Can i believe in you?  
What you don't know  
Can hurt you, child  
All the things a mind can  
Do to you

If i go bad  
From time to time  
Love to love but love is not  
My only crime  
Bathe the path, shine the light  
Better get your ass up on  
The mountain, baby  
I'll take you up tonight

Faded  
This i feel  
Behind the blue clouds  
I remain concealed  
Lord, lift me out of the night  
Come on, look down  
And see the mess i'm in tonight

You can believe in me, baby  
Can i believe in you?  
I wish i could remember what  
You said, when i said  
Enough

You said  
Good boy... bad boy... killjoy...  
Get your ass over here, boy  
And since i know  
Myself so well  
Don't breathe a word  
Don't you ever tell

You can believe in me, baby  
Can i believe in you?  
That secret's gonna kill you  
In the end  
It's gonna kill  
You
