

# The Afghan Whigs, Neglekted

- Dulli/McCollum -

I knew a girl, extraordinary  
Suggested something, unsanitary  
As I asked her for a moment  
To consider her kind offer  
She blew a kiss and said to me...

I know you know  
You want it so  
I want it too, so see it through  
'Cuz when I do what I'm gonna do to you  
Make sure you remember my name

You know it's true  
I want it too  
I know you know, so make it so  
'Cuz when I do what I'm gonna do to you  
You'll never ever, ever...

Intoxicated, by your aggression  
I offer you my one possession  
You can fuck my body, baby  
But please, don't fuck my mind

Get you high, girl, come with me  
Take a ride in search of ecstasy  
I wanna roll with ya, I wanna roll  
I feel you now, I never knew  
You were so sad, i'll make it up to you  
'Cuz I feel you now  
I feel you now...
