

# The Afters, One Moment Away

Wake up and smile  
Put on a tie  
Walk to the car  
And wave goodbye  
Radio on  
You're singing along  
It's all gonna change but how could you know

You're one moment away  
One chance left to take  
And you're gone  
Are they gonna remember you for running away  
Or saving the day from the darkness  
And letting your love shine through  
What will you do  
You're one moment away

Eyes are on you  
The pressure is on  
Where will you stand when the lines have been drawn  
The clocks have all stopped, the story's been told  
This is your life, so how will it show

No you can't pretend that forever  
Will never come knocking at your door

Run through the flames  
Never look back  
What did you think that you came here for
