

The Alarm, Walk Forever By My Side

Walk forever by my side
Never lose sight of the day

When we will run through all our weakness
On through the fields
Strewn with our broken dreams
Walk forever by my side

Stay forever in the light
Never lose sight of the way
For I alone can't face the future
I need your strength
To help me make it through
Walk forever by my side

Stay forever in the light
Walk on 'til morning
All my days are yours
Walk on 'til morning
All my days are yours

Hope you'll stay with me tonight
Lift the veil from my eyes
For I am weak and I am foolish
I need your love
To see me through the darkness
Hope you'll stay with me tonight

Walk on 'till morning
All my days are yours
Walk on 'till morning
All my days are yours
