

The All American Rejects, Gives You Hell

I wake up every evening
with a big smile on my face
and it never feels out of place
And you're still probably workin'
at a 9 to 5 pace
I wonder how bad that tastes

When you see my face, hope it gives you hell
Hope it gives you hell
When you walk my way, hope it gives you hell
Hope it gives you hell

Now where's your picket fence, love?
And where's that shiny car?
It didn't ever get you far
And you never seemed so dense, love
I've never seen you fall so hard
Do you know where you are?

And truth be told, I miss you
And truth be told, I'm lyin'

When you see my face, hope it gives you hell
Hope it gives you hell
When you walk my way, hope it gives you hell
Hope it gives you hell
When you find a man that's worth a damn
and treats you well
Then he's a fool; you're just as well
Hope it gives you hell
Hope it gives you hell

Tomorrow you'll be thinking to yourself:
"Where did I go wrong?"
But the list goes on and on

But truth be told, I miss you
And truth be told, I'm lyin'

When you see my face, hope it gives you hell
Hope it gives you hell
When you walk my way, hope it gives you hell
Hope it gives you hell
When you find a man that's worth a damn
and treats you well
Then he's a fool; you're just as well
Hope it gives you hell

Now you'll never see
what you've done to me
You can take back your memories
They're no good to me
And here's all your lies
You can look me in the eyes
With the sad, sad look
That you wear so well...

<i>When you see my face, hope it gives you hell
Hope it gives you hell
When you walk my way, hope it gives you hell
Hope it gives you hell
When you find a man that's worth a damn
and treats you well
Then he's a fool; you're just as well

Hope it gives you hell</i>>

When you see my face, hope it gives you hell
Hope it gives you hell
(Hope it gives you hell)
When you walk my way, hope it gives you hell
Hope it gives you hell
(Hope it gives you hell)
When you hear this song and you sing along
But you never tell
(You never tell)
Then you're a fool; I'm just as well
Hope it gives you hell
(Hope it gives you hell)
When you hear this song
I hope that it will give you hell
(Give you hell)
You can sing along
I hope that it puts you through hell.
