

# The All-American Rejects, Gives You Hell

I wake up every evening  
with a big smile on my face  
and it never feels out of place  
And you're still probably workin'  
at a 9 to 5 pace  
I wonder how bad that tastes

When you see my face, hope it gives you hell  
Hope it gives you hell  
When you walk my way, hope it gives you hell  
Hope it gives you hell

Now where's your picket fence, love?  
And where's that shiny car?  
It didn't ever get you far  
And you never seemed so dense, love  
I've never seen you fall so hard  
Do you know where you are?

And truth be told, I miss you  
And truth be told, I'm lyin'

When you see my face, hope it gives you hell  
Hope it gives you hell  
When you walk my way, hope it gives you hell  
Hope it gives you hell  
When you find a man that's worth a damn  
and treats you well  
Then he's a fool; you're just as well  
Hope it gives you hell  
Hope it gives you hell

Tomorrow you'll be thinking to yourself:  
"Where did I go wrong?"  
But the list goes on and on

But truth be told, I miss you  
And truth be told, I'm lyin'

When you see my face, hope it gives you hell  
Hope it gives you hell  
When you walk my way, hope it gives you hell  
Hope it gives you hell  
When you find a man that's worth a damn  
and treats you well  
Then he's a fool; you're just as well  
Hope it gives you hell

Now you'll never see  
what you've done to me  
You can take back your memories  
They're no good to me  
And here's all your lies  
You can look me in the eyes  
With the sad, sad look  
That you wear so well...

&lt;i&gt;When you see my face, hope it gives you hell  
Hope it gives you hell  
When you walk my way, hope it gives you hell  
Hope it gives you hell  
When you find a man that's worth a damn  
and treats you well  
Then he's a fool; you're just as well

Hope it gives you hell&lt;/i>&gt;

When you see my face, hope it gives you hell  
Hope it gives you hell  
(Hope it gives you hell)  
When you walk my way, hope it gives you hell  
Hope it gives you hell  
(Hope it gives you hell)  
When you hear this song and you sing along  
But you never tell  
(You never tell)  
Then you're a fool; I'm just as well  
Hope it gives you hell  
(Hope it gives you hell)  
When you hear this song  
I hope that it will give you hell  
(Give you hell)  
You can sing along  
I hope that it puts you through hell.
