

# The All-American Rejects, Kiss Yourself Goodbye

Blank face little girl  
Your colors running down  
Its the one you love  
Cry out my world, this copulated kiss  
Its the last that you deserve

Ive done wrong  
Ive been gone  
Its the one you love  
Drink down and your candles burn  
Away, away

Dreaming you, is so easy, yeah  
If it was up to me, then you would cry tonight  
If it was up to you

Take you, take me  
I cant go with you now  
Dont you wish Id try  
Left just a trace, it's growing colder still  
So kiss yourself goodbye

Ive done wrong  
Ive been gone  
Its the one you love  
One drink and your candles burn  
Away, away

Dreaming you, is so easy, yeah  
If it was up to me, then you would cry tonight  
When it's up to you, you kiss yourself goodbye

Let go, push your daisies  
A thousand maybes, a thousand left I'm done  
A white glow, just for tasting  
A life for wasting (its the one you love)  
And I look into your eyes, it's the one you love

Last one then I fill you up today, today  
How can you sleep  
When dreaming you, is so easy, yeah  
If it was up to me, then you would cry tonight  
When its up to you, you kiss yourself goodbye  
You would cry tonight (yeah)  
So kiss yourself goodbye (yeah)  
You would cry tonight (yeah)  
So kiss yourself goodbye
