The All-American Rejects, Move Along

Go ahead as you waste your days with thinking When you fall, everyone stands Another day and you've had your fill of sinking With the life held in your Hands are shaking cold These hands are meant to hold

Speak to me

When all you gotta keep is strong Move along, move along like I know you do And even when your hope is gone Move along, move along just to make it through Move along Move along

So a day when you've lost yourself completely Could be a night when your life ends Such a heart that will lead you to deceiving All the pain held in your Hands are shaking cold Your hands are mine to hold

Speak to me

When all you got to keep is strong Move along, move along like I know you do And even when your hope is gone Move along, move along just to make it through Move along (go on, go on, go on, go on)

When everything is wrong, we move along (go on, go on, go on, go on) When everything is wrong, we move along (along)
Along (along)
Along

When all you gotta keep is strong Move along, move along like I know you do And even when your hope is gone Move along, move along just to make it through

When all you got to keep is strong Move along, move along like I know you do And even when your hope is gone Move along, move along just to make it through (just to make it through)

When all you got to keep is strong Move along, move along like I know you do (I know you do) And even when your hope is gone Move along, move along just to make it through Move along (go on, go on, go on)

Right back what is wrong
We move along (go on, go on, go on, go on)
Right back what is wrong
We move along (go on, go on, go on, go on)
Right back what is wrong
We move along (go on, go on, go on, go on)
Right back what is wrong
