

The All-American Rejects, P.S. I Love You

Shes gone away, but still they stay together
People call him crazy, crazy
His thoughts progress, He thinks about forever
His mind tells him maybe, maybe
I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
Ill put it in a note, yeah
I'll Cross my ts and dot my is
Better say hello, dont you dare say goodbye
Ill write sincerely yours and sign my name
P.S. I love you, forever and today
And now she's gone, they couldn't stay together
The rain falls down and now he's crying, crying
Two weeks go by, seems like its been the weather
The rain falls down shes crying, crying
My thoughts progress, she thinks about forever
Their hearts are bound and now she's lying, lying
I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
Ill put it in a note, yeah
I'll Cross my ts and dot my is
Better say hello, dont you dare say goodbye
Ill write sincerely yours and sign my name
P.S. I love you, forever and today
All the heartache all the pain
All the words you said in vain
And Ill never be the same
I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
Ill put it in a note, yeah
I'll Cross my ts and dot my is
Better say hello, dont you dare say goodbye
Ill write sincerely yours and sign my name
P.S. I love you, forever and today
All the heartache all the pain
Forever and today
All the words you said in vain
Forever and today
And Ill never be the same
P.S. I love you, forever and today.
