

The Allman Brothers Band, Bougainvillea

Bougainvillea, sing your song
For my lover, for my love
I need
Sweet Bougainvillea
Let her wear your flowers in her hair
You will always be
Always be our love song
She was so afraid
To give her heart away
Now before she even knows
I hold her close to me
Sweet Bougainvillea
Let her know, she's me*

* also could be "Let her know, she's free"
