

# The Allman Brothers Band, Come And Go Blues

People say that you're no good  
But I wouldn't cut you loose, baby, if I could  
Well, I seem to stay down on the ground  
Baby, I'm too far gone to turn around  
Oh, if only you would make up your mind  
Take me where you go, you're leaving me behind  
Lord, you got those come and go blues  
Lord, you got those some and go blues  
Yes, you do, oh and you got me feelin' like a fool

'Round 'n' 'round, 'round we go, -  
Don't ask me why I stay here, I don't know  
Well maybe I'm a fool to care  
Without your sweet love, baby I would be nowhere  
Here I'll stay, locked in your web  
Till that day I might find somebody else  
I don't know just when that would be  
I don't know, I can't say as I can't see  
Lord you got me feeling like a fool

Sail on, darlin', sail on  
Woman, you go your way, and I'll go mine  
Seems to me, that I once heard  
That everything is finally cured by time  
So sail on, darlin', sail on  
Lord, I wish you good luck  
And I'll see you when you come next time

Woman, you got those come and go blues  
Yeah, you got those come and go blues  
Yes, you do, oh and you got me feelin' like a fool
