The Allman Brothers Band, Come & Go Blues

People say that you're no good But I wouldn't cut you loose, baby, if I could Well, I seem to stay down on the ground Baby, I'm too far gone to turn around Oh, if only you would make up your mind Take me where you go, you're leaving me behind Lord, you got those come and go blues Lord, you got those some and go blues Yes, you do, oh and you got me feelin' like a fool

'Round 'n' 'round, 'round we go, -Don't ask me why I stay here, I don't know Well maybe I'm a fool to care Without your sweet love, baby I would be nowhere Here I'll stay, locked in your web Till that day I might find somebody else I don't know just when that would be I don't know, I can't say as I can't see Lord you got me feeling like a fool

Sail on, darlin', sail on Woman, you go your way, and I'll go mine Seems to me, that I once heard That everything is finally cured by time So sail on, darlin', sail on Lord, I wish you good luck And I'll see you when you come next time

Woman, you got those come and go blues Yeah, you got those come and go blues Yes, you do, oh and you got me feelin' like a fool
