

The Amps, Dedicated

If you wore one big mask
You'd never get a chance to kick ass
Demons in the spring
I can hear them sing
"I'll be coming";
Whenever no one follows, nope
Dedicated all to you (me)
Dedicated all to you (me)

Aaaaaaah hope you've got a minute
Yeah, I'd love a minute of time
Or they all go "Fuck it if your winded";

You know, given me the rhyme
Demons in the spring
I can hear them sing
"I'll be coming";
Whenever no one follows, nope
Dedicated all to you (me)
Dedicated all to you (me)

Aaaaah, hope you've got a minute
Yeah, I've got a minute of time
For they all go, "Fuck it if your wasted";
You know, givin' me a rhyme
Demons in the spring
I can hear them sing
"I'll be coming";
Whenever no one follows, nope
Dedicated all to you (me)
Dedicated all to you (me)

Dedicated all
Dedicated, dedicated, dedicated

If you wore one big mask
You'd never get a chance to kick ass
De-mons in the spring
I can hear them sing
"I'll be coming";
Whenever no one follows, nope
Dedicated all to you (me)
Dedicated all
As long as no one follows, nope
The string things out for string
So many for "moi";
Dedicated all
Dedicated, dedicated
