

# The Andrews Sisters, Down By The Ohio

Down by the Ohio  
I've got the cutest, sweetest, oh my oh  
He's just a country boy who works around farms  
But he has his charms  
And jumpin' jeepin' creepers when I'm in his arms  
I get the oh my oh  
He is the only one who ever thrilled me so

He knows his chickens and his cabbages too  
But where the dickens did he learn to-o-o  
He's got that oh my oh  
Just wait til I get back to Ohio

You may think you've seen  
Lovers on the screen  
They're just very ordinary  
By that I mean  
Those heart breakers  
Haven't a chance  
With my new romance

Down by the old Ohio  
That's where I found him  
I got the cutest oh my oh  
He's the sweetest country boy who works around farms  
Yes but he has his charm  
For jumpin' jeepin' creepers when I'm in his arms  
I get so oh my oh, oh my, oh mi, oh my  
He is the only that ever, ever thrilled me so

He knows his chickens & his cabbages too  
But where the dickens did he learn to-o-o  
He's got that oh my oh  
Just wait til I get back to Ohio

I get so oh my oh  
He is the only who ever thrilled me so  
He knows his chickens & his cabbages too  
But where the dickens did he learn to-o-o  
He's got that oh my oh, oh my, oh my  
Just wait til I get back to Ohio
