

The Animals, All I Do

I ain´t got no time for nothin´ to do,
And I can´t get ahead if I´m watchin´ you, too.
Honey, all I do is wait for you.
People, all I do is wait for you.

Ain´t got no lazybones around me,
´couse you can´t get ahead if you´re behind, you see.

(Spoken)

Goodbye, good luck, don´t worry about me.

Goodbye, good luck, don´t worry about me.....
