

The Animals, All I Do

I ain't got no time for nothin' to do,
And I can't get ahead if I'm watchin' you, too.
Honey, all I do is wait for you.
People, all I do is wait for you.

Ain't got no lazybones around me,
& couse you can't get ahead if you're behind, you see.

(Spoken)

Goodbye, good luck, don't worry about me.

Goodbye, good luck, don't worry about me.....
