

# The Animals, Blue Feeling

Sit here and wonder what am I so blue  
Is it because I'm still in love with you ?  
Blue blue feeling got me down today  
Blue blue feeling, my baby's gone away

Now that she's gone, I don't know what I'll do  
I guess I'll have to find, find somebody new  
Blue blue feeling got me down today  
Blue blue feeling, my baby's gone away

Baby please don't leave me, oh don't leave me

Now that she's gone, I'm feeling kind of blue  
I guess I'll have to find, find somebody new  
Blue blue feeling got me down today  
Blue blue feeling, my baby's gone away

Well baby please don't leave me  
Baby please don't go  
Awh!Honey child don't leave me now,  
Baby please, baby please
