

The Animals, Hallelujah, I Love Her So

Let me tell you bout a girl I know
She my woman and she lives next door
Ev'ry morning 'fore the sun comes up
She brings me coffee in an old tin cup
Thats why I know
Yes, I know
Hallelujah, I just love her so
When I'm in trouble and I have no friends
I know she'll love with me until the end
Ev'rybody asks me how I know
I smile at them and say she told me so
Thats why I know
Yes, I know
Hallelujah, I just love her so
When she calls me on the telephone
Baby, I'm all alone
By the time I count, one to four
I hear that woman on my door
And In the evening when the sun goes down
And there is no one else around
She kisses me and she holds me tight
Eric, baby ev'rythings all right
Thats why I know
Yes, I know
Hallelujah, I just love her so
All right now
Now when I call her on the telephone
Hey baby I'm all alone
By the time I count, one, two, three, four
I hear that woman on my door
And in the evening when the sun goes down
And there ain't nobody else around
She kisses me holds me tight
Says baby everythings all right
Thats why I know
Yes, I know
Hallelujah, I just love her so
Whoa yeah
Hallelujah, I just love her so
She's my woman
Hallelujah, I just love her so
One more time
Hallelujah, I just love that gal so
Oh baby yeah
