

# The Animals, I Believe To My Soul

One of these days and it won't be long  
You're gonna search for me and down the road I'm gone  
'Cause I believe  
Oh yes, I believe  
I believe to my soul  
You're tryin' to mess around with me babe

You keep complainin, my progression is slow  
You shouldn't complain baby  
You ought to know  
'Cause I believe  
Oh yes sir I believe  
I believe to my soul  
You're tryin to make a fool of me

Once you told me you loved me I found out it was a lie  
You should be ashamed baby hang your head and cry  
'Cause I believe  
Oh yes, I believe  
I believe to my soul  
You're tryin' to make a fool of me  
I believe it
