

The Animals, I've Been Around

I've been around the world, it's true
Searchin' for someone exactly like you
I finally found a love that's true
You heard story, you heard just what I said
The one that I loveshe might as well be dead
Finally found a love that's true, oh, oh, oh, oh
You heard my story you know how I feel
You got me spinnin'.like a spinnin' wheel
And finally found a love that true
I've been around the world, it's true
Searchin' for someone exactly like you
And finally found a love that's true
And finally found a love that's true
