

# The Anniversary, Anais

released on The Anniversary/Superdrag split EP

Stab another soul into the ceiling - Anais  
Taste the dirty murder in your breathing - Anais  
I want you - I want you  
la da da da...

The Mistress of Missouri ease your grieving - Anais  
The bullet in your brain stop your breathing - Anais  
I want you - I want you  
la da da da...

And we flee through the streets  
And we run from the sun  
And we lust for some trust  
And we fight with our eyes

Pull another drink so it's deceiving - Anais  
You tried to hide the heart that you've been eating - Anais  
I want you - I want you  
la da da da...
