

The Anniversary, Tu-Whitt To-Whoo

By the house that you call home lies the evil and the scared
Pass the saints through the heaven gates - we can hide out there
I've known you all my life tonight and I won't let that go
I've known you all my life tonight

On the Highland borderline it brings us back when we were kids
Pictures of our dead loved ones - the night is young so don't be scared
I've known you all my life tonight and I won't let that go
I've known you all my life tonight
