

The Answer, Be What You Want

Soohin' all you young people
Let me remind you, let's keep remainin
Preachin' for what to believe in
You've got to believe, yes, you have to believe
You've got to be just what you want
Why can't we be just what we want
I know what I've been told
I know what I've been sold, I know, I know
Hard times, too much confusion
Got to find some conclusion
