The Apex Theory, Glue Me

what's that in your head is this that good secret that's barking up which one has to run back to haunt you up don't worry it's coming I need to know what it is to come back up for air

back again (glue me to me) up for air (glue me to me)

what happened
to sneeze you wrong
the footstep of somebody
on to you
what's stopping you
is that a double uproar
it's turning to something
I need to know
what it is
to come back up for air

back again (glue me to me) up for air (glue me to me)
