

The Aquabats, It's Crazy, Man!

Permanecer Sentado!
Churro!

Tonight's the night baby
Let's go to the show
Spend some money honey?
Sure, I'll spend some dough
We got to the spot
I knew something was wrong
When she opened her mouth
To sing along

Whoa! Whoa!
Don't say it's true
Woah! Woah!
I don't know what to do
Woah! Woah!
It's such a waste, you know
I'm sorry baby, but I've got to go

(Chorus)
It's time to say goodbye
It's been real fun
I've got to run
I'll be real busy but
Maybe I'll call you later

Can I be honest with you?
I'll be real brief
You're such a beautiful girl,
But go brush your teeth!

(Chorus)

Iki ga kusakute
