

# The Aquabats, Lotto Fever

In a bottle of noodles  
I found a small green fish  
Who told a fish story  
He could grant me any wish  
"OK!" I said, "That sounds great  
I think I understand"  
The fish rolled up his sleeves  
And said "Your wish is my command"

I want a box of gold  
And a palace of pearls  
A nice big pool for my sad-eyed girls  
I want a car that can fly  
And X-Ray eyes  
I'd wish for more wishes  
"cause it can't get better than this!

So there it was, that's it!  
I can quit my job  
I've got better things to do all day  
"cause in my spare time  
I'm in a Rock n' Roll band  
And in my full time  
I just sit and wait

For my box of gold  
And my palace of pearls  
A nice big pool for my sad-eyed girls  
For the car that can fly  
for my X-Ray eyes  
I'd like more wishes  
"cause it can't get better than this!

I can do anything  
"cause I'm wishing for everything!  
It could happen  
it could happen  
Will it be?  
You tell me?  
Does it get much better than this?

When I woke up  
I found the bottle was gone  
Someone took it away  
i guess I'll just have to wait

For my box of gold  
And my palace of pearls  
A nice big pool for my sad-eyed girls  
For the car that can fly  
for my X-Ray eyes  
I wish I had more wishes  
"cause it didn't get better than this!

I can do anything  
"cause I'm wishing for everything!  
It could happen  
it could happen  
Will it be?  
You tell me?  
Does it get much better than this?
