

# The Ark, I Laid It Down

Howling He-men  
following the stream and  
smelling semen  
God, I never wanted  
to to become one of them.

Naked  
shaking  
I suddenly felt like  
sacred  
Angels  
were calling me by name:

Oppular!  
And so I laid it down for all to see  
Oppular!  
And the world was young  
and a-waiting for me  
I laid it down, I laid it down!  
Oppular!  
I laid it down for all to see  
Oppular!  
I laid it down on the dusty  
ground  
Oppular!  
and all I felt was like a great  
relief  
I laid it down, I laid it down!

Saint-like  
maybe  
She stood there  
before me  
pure as could to be  
I got down and kissed her  
feet

And someway  
somehow  
I got by  
my troubles  
down under the waistline  
Sunshine,  
kiss me, couse here, I come...  
I come!

Oppular!  
I laid it down for all to see...
