

# The Army Of Freshmen, I Love Everyone

woah, oh, oh  
woah, oh, oh, oh, oh

I used to be an altar boy  
and every Sunday I'd go to church  
and I'd get beat up by a kid named Corey Shields  
and I swore some day I'd kill him  
break in his house and kill his mom  
his cat, his dad, his dog  
but I'm over that now, I'm mature

if the bombs fall, I'll catch them  
I love everyone  
if the bombs fall, I'll catch them  
I love everyone

there's a record store called Salzers  
I applied there twice for a part time job  
and each time that I did, well they turned me down  
and I swore some day I'd go back, burn it down  
and watch all the arrogant clerks run around on fire  
but I'm over that now, it's the new me

if the bombs fall, I'll catch them  
I love everyone  
if the bombs fall, I'll catch them  
I love everyone

woah, oh, oh  
woah, oh, oh

SOMEDAY THE SKY WILL OPEN!

all these vengeful fantasies couldn't possibly be true  
but these are desperate times, I'm a desperate man  
and I'll see you on the news

if the bombs fall, I'll catch them  
I love everyone  
if the bombs fall, I'll catch them  
I love everyone

woah, oh, oh  
woah, oh, oh  
I love everyone
