

The Arrogant Sons Of Bitches, Plaid Girl

Hey, plaid girl.

Come and skank at all the shows.

Its nice to known that someone goes
even though nobody cares.

When I was younger I wasn't much of a punker or a skanker

until one day I met this girl I'd like to thank her (thank you).

Let's jump on the bandwagon with all the other ska bands

Now that ska's gone mainstream, everyone's a fan.

I guess I'm just another trendy wanker.
